

Community Tissue Services®

Company Profile

- Background:** Community Tissue Services (CTS) is an independent, not-for-profit organization. CTS serves donor families, physicians, hospitals and its community partners by providing education, recovery, processing and distribution of quality tissue grafts.
- Mission:** At CTS, our mission is to save and enhance lives.
- Oversight:** The tissue bank is regulated by the Food & Drug Administration (FDA). CTS complies with the American Association of Tissue Banks (AATB) standards for tissue banking. AATB sets standards for donor screening, testing, recovery, processing and distribution.
- Accreditation:** CTS is accredited by the American Association of Tissue Banks (AATB) and ISO 9001:2000 Registered. A list of accreditations and licensures is located on CTS' website.
- Founded:** CTS was founded in Dayton, Ohio in 1986 to fulfill the needs of the local community for tissue allografts. Today, CTS has grown into a national network with locations throughout the United States.
- Headquarters:** 349 South Main Street
Dayton, OH 45402-2715
